

george krzyzewski

Music Cottage founder George Krzyzewski has been involved with music professionally for over 50 years as a performer and audio engineer. He first studied music formally, as a child in Los Angeles. After attending the University of California, he performed nationally and internationally in groups playing both guitar and bass.

Along with his wife Lauren, George is a founder and Co-Director of The Music Cottage and teaches electric and acoustic guitar, as well as electric bass. He has 25 years of experience teaching Classical and Popular Guitar, as well as Electric Bass. Knowledgeable in written music as well as harmony and composition. George is a certified instructor of Music Together and Childbloom Guitar programs. He has also trained audio personnel on different components of computer based audio programs such as: Reason, Ableton Live, Cubase, and general computer based music audio. George serves on the board of Town of Southeast Cultural Arts Coalition.
